

A bit about volunteering

Source: Cabinet Office - National Survey of the Third Sector

ENABLE CHARITABLE GIVING

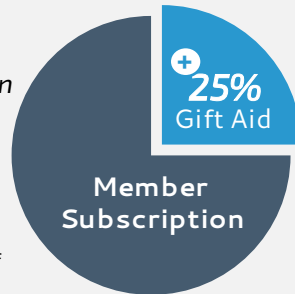

Gift Aid is a tax efficient method of giving where charities can claim, from HMRC, **an extra 25p for every £1 donated.**

Existing charity?

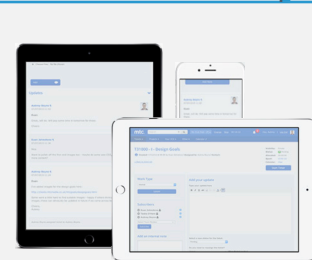

Not a charity?

MCH can administer Gift Aid claims for registered charities through its automated processing technology. Collecting, tracking and reporting individual payments is made easy for you, freeing up valuable resource and driving additional funding for your organisation. All you have to do is set it up!

MCH is authorised to administer donations on behalf of Bumbershoot Charity UK, a charity registered in Scotland, that gives groups the chance to apply for Gift Aid, on donations that are made in support of their cause, offering organisations a way to get small amounts of additional funding.

mch MY CLUB HUB

MCH will significantly enhance your volunteer management experience.

Supported by many years of personal experience, MCH harnesses modern day technology to make essential administration easy and provide the opportunity to significantly improve club cash flow.

Created by volunteers; for volunteers

mch FINANCIAL

MCH Financial offers revenue earning financial services solutions.

Every day commodity products, such as home and motor insurance, are a necessity in this day and age. Your members can buy these via MCH and generate additional annual income for your club.
